

24 uur Waterstof Challenge

15/16 mei 2020

Name of the Equipe can be the company name or company name with a number (in relation with participation multiple equipes from one company) or a more heroic or creative name.

All participating teams provide their own car. If no car is available, the organization can be requested to arrange a car.

Every car must be provided with stickers with the event logo and the sponsor logos. These are handed over to the Equipes on the day of the Challenge. The car must be clean and as dust-free as possible appear at the start and the front doors - both left and right - must be free from any communication, so that the rally stickers can be placed in an orderly manner.

Equipe members will receive further information regarding the Rulebook.

The 24 Hour Hydrogen Challenge is not a rally or speed race. Participants complete assignments of which points can be earned.

The organization reserves the right to cancel the Challenge if there is insufficient participation.

Competition rules

1. Participants undertake to pay the costs for participating in the 24 Hour Hydrogen Challenge immediately after

registration. The Organization will send an invoice.

2. Equipes must appear at the start in time. To be late or not to appear means exclusion of participation in the 24 hour Hydrogen Challenge.
